Ref. No. ....44.....

Date ...27.9.23.....

## PART (D) PERSONAL, HEALTH, SOCIAL AND EMOTIONAL DEVELOPMENT

The School focuses on the personal, social and emotional development of the students and makes provisions and space for a variety of strategies and opportunities to promote them at all levels. The school environment is physically, socially and psychologically, healthful and promotes health enhancing behaviors. The connectedness/positive relationships between teachers and students are evident. Teachers demonstrate skills related to dealing with different aspects of development of children. Student support team and processes are well established.

The school offers wide choice and resources for Health and physical education activities. Student participation is encouraged. Trained staff supports student's participation and monitors progress. School efforts towards HPE are evident in the awards and distinctions won by students.

The school has systems and trained personnel (doctor and nurse) to handle medical emergencies. School medical room is equipped with first aid box, emergency emergency equipment and medicines. Periodic monitoring of facilities and training of key staff in first aid and specific emergency protocol is organized. School has a defined system and trained personnel for regular and comprehensive health checkups of all students. Updated health records of all students are well maintained. Specific and important information (blood groups, allergies, and important medication for specific and important medication for specific health issues) recorded and updated with parental.
